

Club *Volcano* Levels

Membership in Club Volcano is ongoing, but may be canceled at any time with written notice. A minimum of one shipment is required to qualify for membership benefits. Thereafter, you have no obligation to continue as a member.

All wine orders & Club sign-ups must be placed by a person 21 years of age or older. Shipper requires verification of age at the time of delivery. Failure to produce age verification forfeits the right to receive shipment until identification is produced. If wine is returned as a result of this, all associated costs will be the responsibility of and be charged to the customer. We recommend the use of a business address to facilitate delivery of your purchase. There is NO delivery to P.O boxes.
