## Wine Club Program

# Club *Volcano* Levels

Club Volcano membership is ongoing but may be canceled at any time after two (2) shipments with written notice.

All wine orders and club applications must be placed by a person 21 years of age or older. Shipper requires verification of age at the time of delivery. Failure to produce age verification forfeits the right to receive shipment until identification is produced. If wine is returned as a result of this, all associated costs will be charged to the customer. We recommend the use of a business address to facilitate delivery of your purchase. Delivery to P.O. boxes is not available.

## Club *Pikake*
